Proposal: Residential development of 103 dwellings and associated access and infrastructure

Site Address: Field Reference Number 7108 Eakring Road Bilsthorpe Nottinghamshire

Applicant: Keepmoat Homes - Miss Elizabeth Woodhouse

Application Reference: 20/00873/FULM

Target Date: 9 September 2020

Case Officer: Laura Gardner

Dear Laura,

I have reviewed the BS4142 assessment provided and it does not indicate that there will be any issues with reference to noise from the nearby Highways Depot.

All I would ask is that calibration certificates for the sound level meters and calibrators be provided as I can't see any attached in the appendix.

Regards
