Hi James,

Further to our consultation notification to Natural England, I can't find a consultation response from NE on our files.

I'm aware that you have separately responded to my colleague, Richard Harris (Ecology Manager, Sheffield City Council), on Richard's screening consultation with NE under the Habitat Regulations Assessment and that Richard has formally consulted NE today on the HRA.

My apologies if I've missed your response on the planning application, but could clarify whether NE has/will be making a comment on this planning application.

Thanks,

Bob

Bob Turner
