Details of the pre-application advice received

During this meeting, the officer stated that whilst the proposed development was contrary to the development plan, the Council's lack of a five-year housing land supply and the sustainable location of the site meant the principle of development was likely to receive officer support. This was also reflected by the fact that the site was formally a proposed allocation in the emerging Ashfield Local Plan. The submission requirements were also agreed. Please see Planning Statement and Statement of Community Involvement for further details.
